

Gitisudha Giri, M.Sc., Ph.D

Name : Dr. Gitisudha Giri

Designation: Professor

Department : Department of Basic Science and Humanities
(JOINED THE INSTITUTE IN 2008)

Contact : +918260333609-312/250 (O); +919937416058 (M)

Email : ggiri@silicon.ac.in

RESEARCH INTERESTS:

- Green synthesis & characterization of nano particles(Cu_2O) by using plant-extract
- Nano-structured materials.
- Structural modification & Improvement in parent properties of Natural fibers (Wool) by graft copolymerization.

Academic Qualifications:

Ph. D. (Chemistry): Utkal University, Bhubaneswar, Odisha, India

M.Phil. (Chemistry), Utkal University

M. Sc. (Chemistry), Utkal University

Specialization: High polymerization

Scholarships awarded:

Junior merit scholarship

National scholarship

Teaching Experience/Research Experience:

Research experience:

- 8 years in Ravenshaw University (1985 to 1993 under C.S.I.R. project)

Teaching Experience:

- 12 years in Orissa Engineering College, Bhubaneswar.
- 2 years in Gandhi Engineering College

- Continuing in Silicon Institute of Technology, Bhubaneswar till date(date of joining: 25.6.2008)
