

Process to ensure admission in Silicon Institute of Technology through OJEE Web-Counselling

- After successful registration and completion of registration fee deposit, the candidate has to click the Choice Filling & Locking option given in the MENU of the screen.
- Next screen will come with some instructions. Candidates are advised to read the instructions carefully and then proceed to the next screen for **choice filling**.
- This screen contains two blocks. The Left block contains list of all colleges and branches in alphabetical manner. In this block, the colleges can be listed according to Government/ Private or All. The Right block will contain the choices filled in by the candidate. Candidate can **ADD** his/her choices of colleges and branches from the left block by two methods.
- To ensure their admission in Silicon Institute of Technology, the candidates are advised to give Silicon Institute of Technology with their **most preferred branch as their 1st choice**. However for ensuring their admission in Silicon, they are advised to give other branches (preferably all available branches) in the choice list below the most preferred branch.
- After the 1st allotment you will get two options to choose
 - a. **Freeze:** If you are satisfied with the allotted branch in Silicon, you may go for the freeze option where, your allotted branch is final and there will be no change in subsequent allotments.
 - b. **Float:** In case you are not satisfied with the allotted branch, **choose float option**, where in your allotment will be upgraded to the branches in your preferred list at the time of choice filling during subsequent rounds of allotments.
- Please note that Freeze/Float options can only be exercised, after payment of part fees and uploading the required documents.
(Details are available at <https://ojee.nic.in/ojeeecms/File/ViewFile?FileId=57&LangId=P>)
- For Tuition Fee Waiver (TFW) candidates, the Choices of college and branches for both the TFW seats (for example, Silicon Institute of Technology, Computer Science & Engg. – TFW) and the non- TFW seats (for example Silicon Institute of Technology, Computer Science & Engg) will be offered in the choice filling screens. The TFW candidates can fill in their choices from among the above list of TFW and non-TFW seat matrix mentioning their preferences.
- Note that there will be a large change in the final allotment from the 1st allotment in your preferred choices. For example, if the candidate get 6th choice in the 1st allotment, it may upgrade to the 1st choice in the final allotment.
