RESEARCH INTERESTS

Antimicrobial study of nanomaterial

Academic Qualifications

M. Sc. (Industrial Biotechnology), Berhampur University, India

Specialisation: Industrial Biotechnology

B.Sc (Biotechnology), Berhampur University, India

Specialization: Biotechnology

Teaching Experience/Industrial Experience/Research Experience

More than one year of teaching experience.

During this short tenure I have attended:

1. FDP: "Advances in Instrumental techniques for identification and characterization of materials" organized by SOA, Bhubaneswar.
2. Workshop: "Workshop on Examination Reforms" organized by AICTE. I got appreciation certificate for presentation.
3. Webinars: Ecosystem Restoration, E Waste- A Challenge for Sustainable Development, Engineers for Skill Development & Employment in combating COVID, etc.
4. Short Term Training Program: "Characterization of Materials" organized by CIPET:IPT, Bhubaneswar.

ANY OTHER

Training and Projects

- Training on Molecular Biology and Recombinant DNA Technology

- Projects on Isolation, Identification and Molecular Characterization of microorganisms isolated from paper, paint and textile industries
- Plant Tissue Culture
