21. Three important observation / suggestions to improve the overall teaching – learning experience.

(i) More remedial and interactive classes for the students

(ii) Effective teaching-learning monitoring methods

(iii) More industry-based projects

Action Taken Report

- 1) MOUs with some industries for sponsored projects have been executed.
- 2) Efforts are being made for inter-disciplinary research projects
- 3) The remedial classes were primarily for slow learners. For bright students, the following practices have been put in place.
 - Inter-disciplinary project groups have been formed.
 - Paid internship facility has been added.
- 4) Teaching- learning process is being made more effective with more innovative methods and it is being monitored with the help of a proper mechanism.
