21. Three important observation / suggestions to improve the overall teaching – learning experience.

- i) Effective Teaching –Learning methods and action plan to help the students particularly the drop out and Year back students.
- ii) More exposure to skill based training and projects
- iii) Proper counseling of students during their stay and study.

Action Taken Report

- 1) Remedial classes along with Proper counseling by the Faculty Advisors help in improving the situation.

- 2) Introduction of Skill based courses, Practice school concept and mandatory internship is giving a god opportunity for the students to excel in their respective fields.
- 3) Issues like post pandemic situation and its impact on students, shift from online teaching and evaluation to offline mode are being taken care of by our student counselor regularly and students are getting benefits in a big way.
