

Temporary Suspension of 1st Semester B.Tech. reporting (2022-23 Admission Batch)

According to the revised counselling schedule by OJEE on 22.10.2022, available at <https://cdnbbsr.s3waas.gov.in/s36832a7b24bc06775d02b7406880b93fc/uploads/2022/10/2022102339.pdf> , there will be another round of upgradation, in the OJEE counselling and the final allotment will be published on 2nd November 2022. Hence there might be a change in the allotted branch published in the 3rd round allotment. In view of the change in final allotment date, the reporting process along with the dates for orientation program, induction program and class commencement for 1st semester B.Tech. students are suspended with immediate effect till further notice.

Those who have already reported (online mode), their reporting is conformed subjected to retaining the seat in Silicon in the final allotment scheduled to be published on 2nd November 2022. To retain their allotted branch, they may ensure to freeze the allotted branch in their OJEE login portal.

The revised reporting and academic schedule for 1st semester B.Tech. students will be published accordingly.
