ME / M.Tech. / MCA / M.A. / M. Sc. / MBA / M.Com.

In addition, individual departments may set specific admission criteria for short listing. Meeting the minimum eligibility qualifications does not guarantee admission into the Ph.D. program. Shortlisted candidates will have to appear for an admission test (SET), which comprises of a written examination and/or interview. Candidates selected under QIP or having UGC-NET (including JRF) / UGC-CSIR NET / GATE / CAT or other similar national tests with qualifying percentile scores are exempted from the entrance test. Information on specific departments and related research activities is available on the department homepage, in our website.

The syllabus for the entrance test can be downloaded [here](#).

Full-time students:

Individuals who would like to pursue Ph.D. in-house, while residing on campus.

Part-time students:

Individuals who are working in organizations that provides adequate basic facilities and an environment suitable for research.

Financial Assistance:

Full-time students admitted into the Ph.D. program are eligible for fellowships as per the institute norms. To know details please refer the PhD Regulation [here](#)

Application Procedure:

The candidates need to fill-up the online application [here](#)

During the application they need to upload the following scanned (pdf) documents.

- Date of Birth or equivalent Certificate
- Marksheets of Qualifying degrees
- Certificates of Qualifying degrees
- Experience Certificate (if any)
- Score Card/Qualifying Card of GATE/NET/CAT etc.
- ID proof
