The Literary Carnival

24 & 25 NOVEMBER

Poetic Arena

A thematic poetry challenge with two engaging rounds.
Round one: craft your poem based on-the-spot topics.
Round two: recite it live before the audience.

Parachute Drop

In Parachute Drop, a single parachute is accessible for five individuals, each embodying an influential character or personality. Their task is to argue and convince why they are most deserving of survival compared to the others.

Lok Sabha

LOK SABHA is an institutional simulation of the lower house of Indian Parliament. Here the participants will be role-playing as MPs and discuss a given agenda in a diplomatic manner to showcase their debating skills.

Write-a-Tale

Write-a-Tale is a competition that challenges participants to craft captivating stories in under 300 words. You will receive characters, situations, and objects and you weave your tale in one hour.

Leadership Challenge

A group discussion, led by a moderator on an impromptu topic. The top 10 participants will move to the next round, which includes a buffer round with challenges before the final interview.
