N.B.:

According to the UGC guidelines, for enrollment in the Ph.D. program, a weightage of 70% is given to the entrance test and 30% to the performance in the personal interview. The interview shall be of 30 marks with a passing mark of 15. Candidates are required to prepare an article (Journal/Conference) or choose a topic of their research interest for a presentation before the interview panel for 10-15 minutes. The presentation will be on a black/whiteboard only. The expert panel will examine the competence for the proposed research, research aptitude, ability to work in a team, and motivation to complete the program.
