20	The teachers illustrate the concepts through examples and applications.

Three important observation / suggestions to improve the overall teaching – learning experience:

1. Need for more teacher-student interaction and involvement to improve overall performance, particularly in Student related activities.
2. Need for finding out opportunities for those students not getting placed in other sectors such as entrepreneurship and start up activities
3. Need for students to get more courses in emerging fields to have better career opportunities.
