Image & Signal Processing, Nano device/ semiconductor Devices, Antenna Engineering, Genomic Signal Processing, Sensor systems & IoT, Wireless Communication, VLSI, Power systems, EV, Power electronics & device, Control System, Renewable energy systems, smart grid, Machine drives, Grid connected Renewable Energy systems.

Data Mining, Artificial Intelligence, Machine Learning, Natural Language Processing, Computer Vision, Internet of Things, Cloud Computing, Computer System Performance, Parallel and Distributed Systems, Software Engineering, Database/Internet/Cyber/Cloud/Information Security, Block Chain Technology, Fluid Dynamics, Environmental Chemistry, Hospital management, Trust, NGO, CSR

Eligibility Criteria:

ME/ M.Tech./ Integrated M. Tech./MCA/M. Sc./ M.A./MBA / M.Com./B.Tech.

In addition, individual departments may set specific admission criteria for short listing. Meeting the minimum eligibility qualifications does not guarantee admission into the Ph.D. program. Shortlisted candidates will have to appear for Silicon University Admission Test (SUAT-24), which comprises of a written examination and/or interview. The Entrance Test syllabus shall consist of 50% of research methodology and 50% shall be subjectspecific. Students who have secured 50 % marks in the entrance test (written) are eligible to be called for the interview.

Candidates selected under QIP or having UGC-NET (including JRF) / UGC-CSIR NET / GATE / CAT or other similar national tests with qualifying percentile scores are exempted from the entrance test. Information on specific departments and related research activities is available on the department homepage, in our website (www.silicon.ac.in).

The syllabus for the entrance test is available in the SUAT-2024 Brochure.

Full-time students:

Individuals who would like to pursue Ph.D. in-house, while residing on campus.

Part-time students:

Individuals who are working in organizations that provides adequate basic facilities and an environment suitable for research.

Financial Assistance:

Full-time students admitted into the Ph.D. program are eligible for fellowships as per the University norms.

Application Procedure:

Candidates must complete the SUAT-2024 online application form at www.silicon.ac.in.

During the application they need to upload the scanned copy of passport size photograph and signature.
