Information Brochure 2024-25

SILICON INSTITUTE OF TECHNOLOGY | SAMBALPUR

About Silicon West

Silicon Institute of Technology (known as Silicon West) was founded in 2009 in Sambalpur, Odisha. It is a recognized engineering institute in the state, which makes affordable, quality engineering education available for young people to succeed professionally. Students benefit from individualized attention, access to networks, resources, and opportunities to build their careers in technology.

VISION

To become a centre of excellence in the fields of technical education & research and create responsible citizens.

MISSION

To provide the best of technical skills, professional ethics, and human values in enriching the disciplines of Science, Engineering and Technology for Social development and Nation building.

QUALITY POLICY

Our quality policy is based on the 5L principle of **Lectures, Laboratory, Library, Learning**, and **Leadership** to move beyond teaching and foster creative leadership and a culture of teamwork.
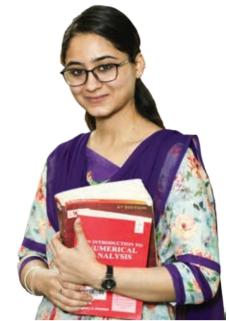

Approved by **AICTE**

Affiliated to **BPUT, Odisha**

Programs Offered

Undergraduate (B.Tech.) Programs

Specialization	Programs Offered	Intake		
		Regular	Regular (TFW*)	Lateral
Electrical Sciences	B.Tech. Electronics & Communication Engineering (ECE)	30	0	3
	B.Tech. Electrical Engineering (EE)	60	3	6
Computer Sciences	B.Tech. Computer Science & Engineering (CSE)	60	3	6
Mechanical Sciences	B.Tech. Mechanical Engineering (ME)	30	0	3
Civil Sciences	B.Tech. Civil Engineering (CE)	30	0	3

TFW – Tuition Fee Waiver
B.Tech. students have the option to change their branches at the end of 1st year, based on merit, preference, and academic rules.

Admissions

Undergraduate (B.Tech.) Admissions

Programs	Eligibility	Qualifying Exam	Selection Process	Spot Admission
B. Tech. Regular Admissions	10+2 (Science) with minimum aggregate of 45% in Mathematics, Physics & Chemistry	JEE Mains 2024	OJEE e-counselling	Students who have not participated in first round of OJEE counselling can participate in institute level (spot) admissions, based on JEE Main entrance rank for regular admissions and OJEE entrance rank for lateral entrants. Admissions will be on a first-come-first serve basis subject to vacancy of seats and as per guidelines of Government of Odisha.
B. Tech. Lateral Entry Admissions	B. Sc./ Diploma in Engineering of respective branches	OJEE 2024	OJEE e-counselling	

Cost of Study

The cost of studying at Silicon West varies between INR 1,15,000 - INR 2,00,000 per annum, where the tuition fee is INR 1,15,000 irrespective of any branch of study.

The final study cost depends on

- Day-scholar or Hostelite
- AC or non-AC residence chosen, if hostelite

Financial Support

Representatives of various banks shall be present in the campus for loan purposes on the day of orientation.

Registration for Admission - 2024

- Register by filling up the online application at https://erp.silicon.ac.in/onlineadmission/register.php
- The institute can interact with the students and guide/assist them in the admission process.

Curriculum

We follow the standard curriculum prescribed by the Biju Patnaik University of Technology (BPUT), Odisha. The highlights are as follows.

- **Academics** – The program structure for all undergraduate disciplines comprises Common courses, Compulsory disciplinary courses, Laboratory courses and Elective courses.

- **Internship/Major Project** – It is an integral part of the academic curriculum for 6 credits. During the 8th semester of B.Tech., students need to either opt for internship training in an industrial work environment or carry out a major research project. In addition, students during their second and third year of engineering need to complete at least 2 summer internship programs with minimum 30 days duration.

Internship Features

Applicable only to final year B.Tech. students of all branches	An optional component of B.Tech. curriculum	Carries 6 academic credits	Course duration is approximately six months/one semester	Can be opted during 8th semester (Jan to June)	Supported by monthly stipend up to INR 25,000

Entrepreneurship

The Entrepreneurship Development Cell (ED Cell) at Silicon West takes care of the entrepreneurial potential of students by facilitating national exposure and platforms through the following initiatives.

- Expert talks on entrepreneurship
- Entrepreneurship development programs and camps
- Participation in conclaves for pitching innovative ideas

Research & Consultancy

Silicon West researchers collaborate with academics, industry experts and scientists from across the country to promote advances in science and technology.

73% of our faculty have completed their Ph.D.

109	40	75	21
Total Journals	SCI/ Scopus Indexed journals	Conference proceedings	Books / Book chapters

Placement Highlights

- Silicon West has a longstanding placement record and corporate acceptance.
- More than 80% of the students get placed every year.
- Majority of our final-year students get intern-to-job offers, where they do internship in their final semester with monthly stipend up to INR 25K.
- Top companies in product development, start-ups, IT services and core sector from diverse fields recruit Silicon West students.

Why join Silicon West?

- A leading technological institute in Odisha since 2009
- Distinguished faculty members having Ph.D. with extensive research experience
- Good placement record
- Strong and active alumni network in India and abroad
- Enriched Industry-Institute interface
- Vibrant campus life
- Vibrant learning clubs
