Registration for Convocation 2024

Silicon University will hold its 1st Convocation on **14th December 2024**. Students eligible to receive their degree certificates must register for the event by **15th November 2024**. Registered students may bring up to two guests to the ceremony, and they are required to specify the number of accompanying guests during registration.

Eligible students can choose from the following registration options:

1. Receive the degree certificate in person at the convocation.
2. Receive the degree certificate in absentia (sent by registered post).
3. Receive the degree certificate in absentia and collect it in person from the university at a later date.

Students who wish to attend the convocation in person must follow all convocation related protocols, which will be communicated via their registered email. Attendance at the convocation rehearsal on **13th December 2024** is mandatory for these students. The rehearsal time and venue will be shared in advance.

Please note that degree certificates will only be issued upon registration.
